**RFQ #2021-01-22**

**Technology Services**

**Q1: Please provide clarification on the following: this is a revolving RFQ asking for vendor qualifications which may lead to said vendor being included in a pool that will be used as a pre-vetted candidate list for services during the course of the consideration award period.**

A. This is correct. Vendors will be approved and offered contracts based on ESC Region 13 technology needs.
